NOISE CANCELING
HEADPHONES

LESS NOISE, MORE OF YOUR MUSIC.

The TDK Life on Record NC360 Noise Canceling Headphone incorporates active noise canceling technology that helps to block unwanted sound, so you hear more of what you want to hear. While the unique mute button provides the best in convenience and control by letting in the sounds of the environment at the touch of a button, when needed, then a simple touch returns to the music. Including an airplane adapter makes it pefect for frequent travelers to enjoy in-flight entertainment systems and drown out background noise while reading.
